Website Update Brief

- We require the capability to edit the following pages:
  - ✓ The Homepage – we need the capability to update everything on the homepage. In particular, these sections:

  - ✓ The About page
  - ✓ The News page and sub-pages
  - ✓ The new blog page and sub-pages – as outlined below in the brief
  - ✓ The new FAQ's page – as outlined below in the brief

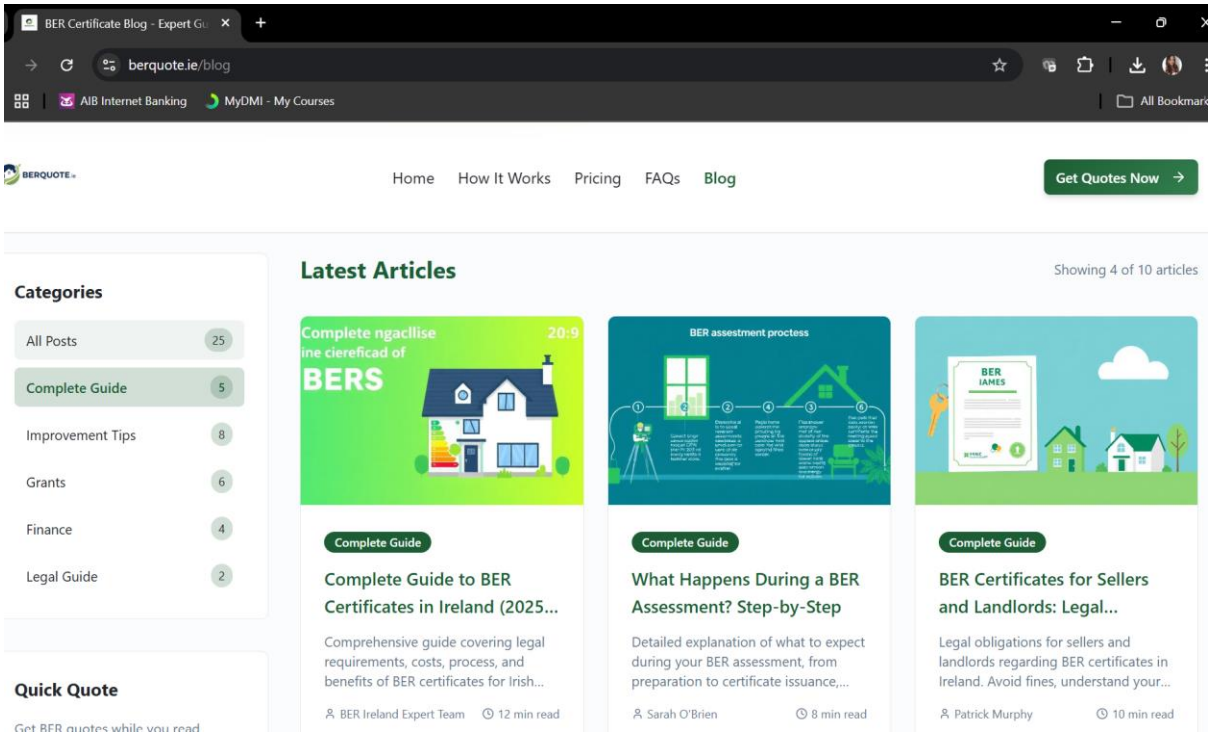
New Pages for creation:

- A new 'Blog' page with the following sub-pages:
  - ✓ All Posts
  - ✓ BER Explained
  - ✓ Costs & Grants

- ✓ Home Upgrades
- ✓ Selling & Renting
- ✓ Green Mortgages & Finance
- ✓ Regulations
- ✓ Success Stories
- ✓ How-to & Guides
- ✓ FAQs – please include the FAQ's page again here

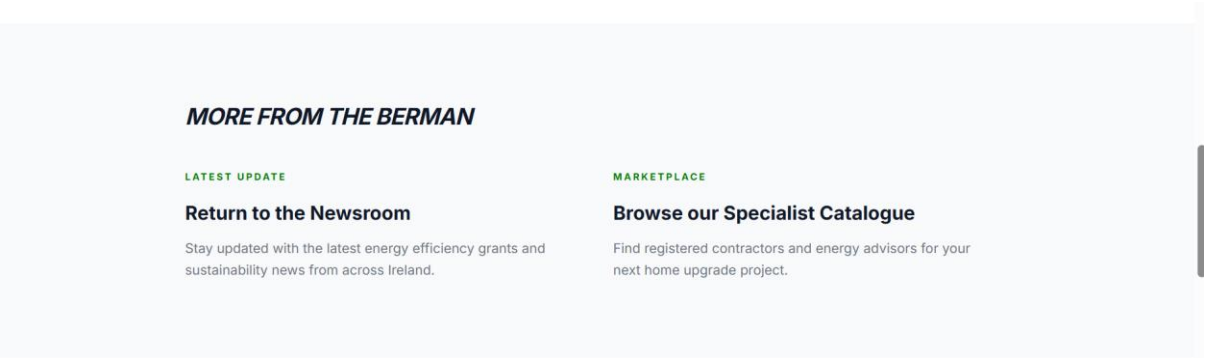
- Add the new 'Blog' to the main navigation drop-down menu.

- We need the ability to create these content blocks on the main 'Blog' page and all of sub-pages with the title 'Latest Articles' as per the example below:



For the Blog Post Content pages, we require the following components:

- Title
- Subtitle
- Image
- Rich Text
- Include this banner on all pages:

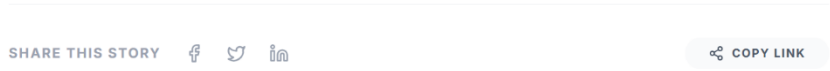


Replace 'Return to the Newsroom section with:

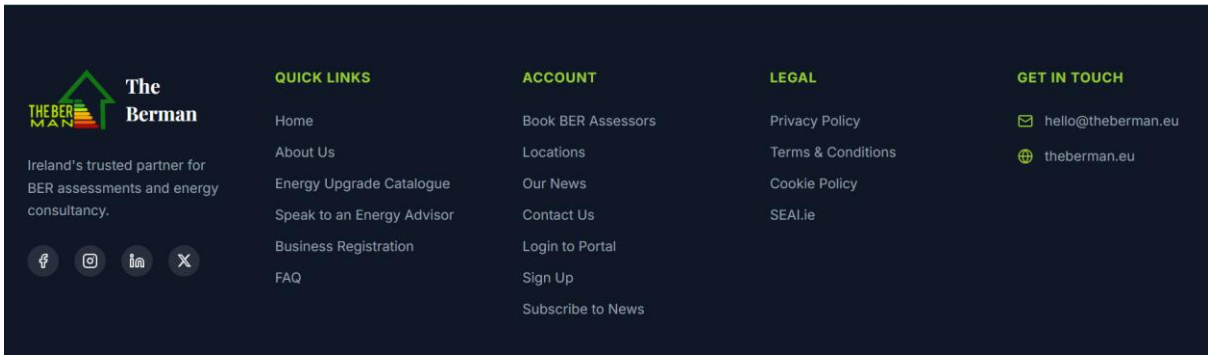
Category (Green text): BER QUOTES
Heading: Secure Your BER Quote Today – It's Fast and Easy
(link to this page: https://www.theberman.eu/get-quote)
Sub-heading: Getting your BER quote is quick, easy, and tailored to your domestic or commercial property. Our nationwide team is here to help you today.

- Add in the social media icons banner for Facebook, Instagram and LinkedIn and hyperlink the icons with the following links:
  - Facebook: https://www.facebook.com/profile.php?id=61578159843471
  - Instagram: I will send this over tomorrow
  - LinkedIn: https://www.linkedin.com/company/the-berman/posts/?feedView=all

✓ Replace the Twitter Icon with X – this has yet to be setup. Link to follow tomorrow:
✓ Replace 'Share this Story' with SHARE THIS BLOG POST



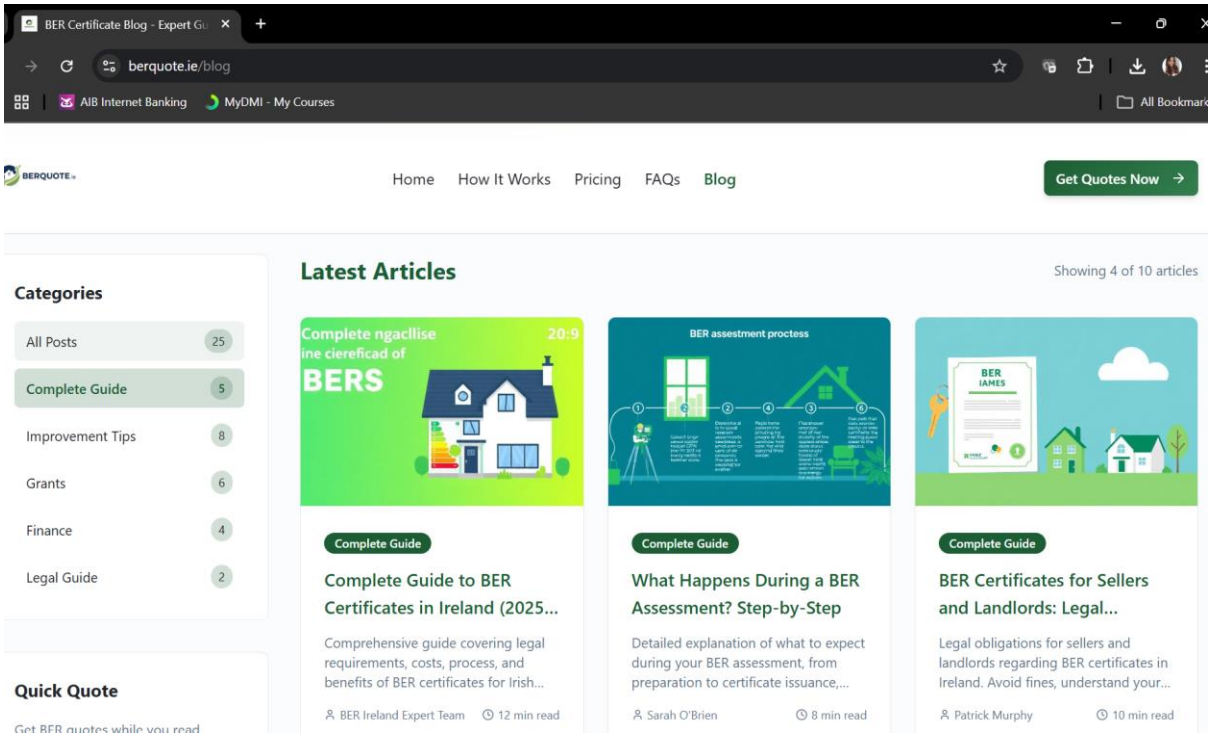
- Include the footer on all these blog article pages:



Update the News Page as follows:

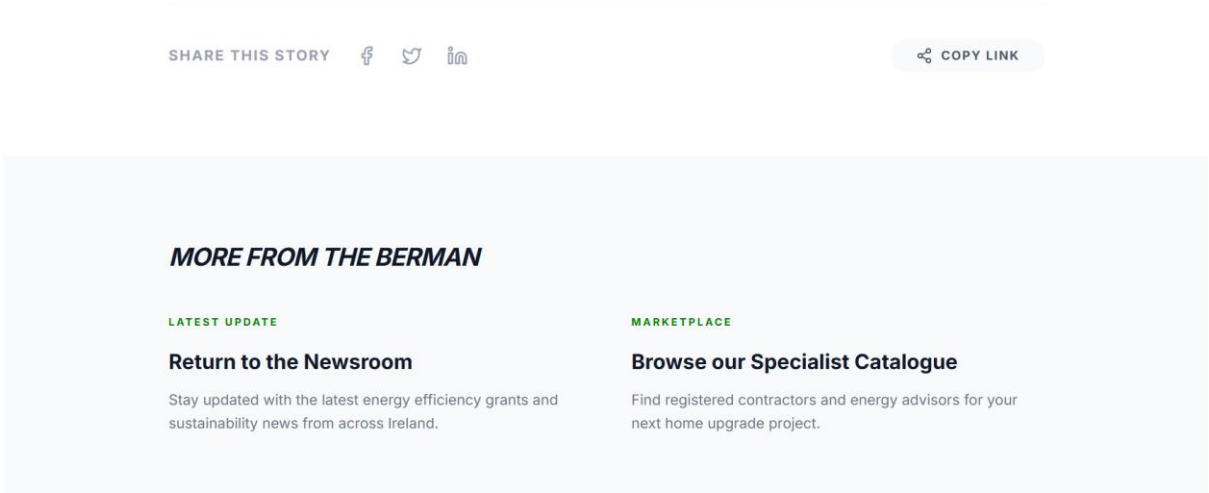
- **Add the following sub-categories:**
  - ✓ Policy & Regulation
  - ✓ Technology & Innovation
  - ✓ Replace Industry Updates with Industry Insights

- We need the ability to create these content blocks on the main 'News' page and all of sub-pages with the title 'Latest News' as per the example below:

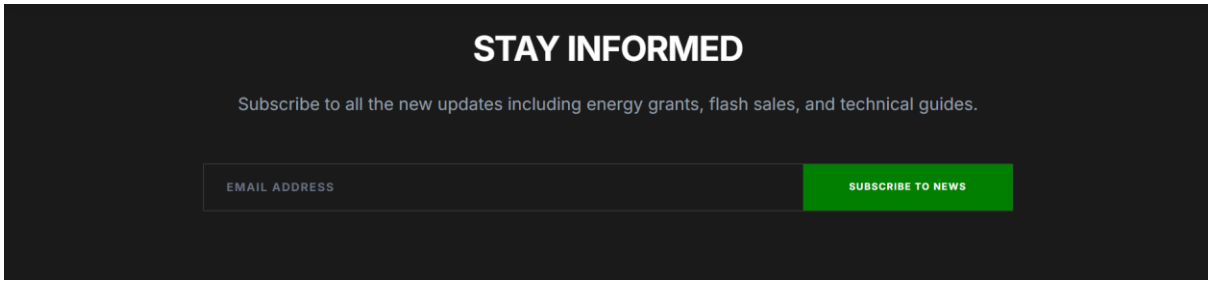


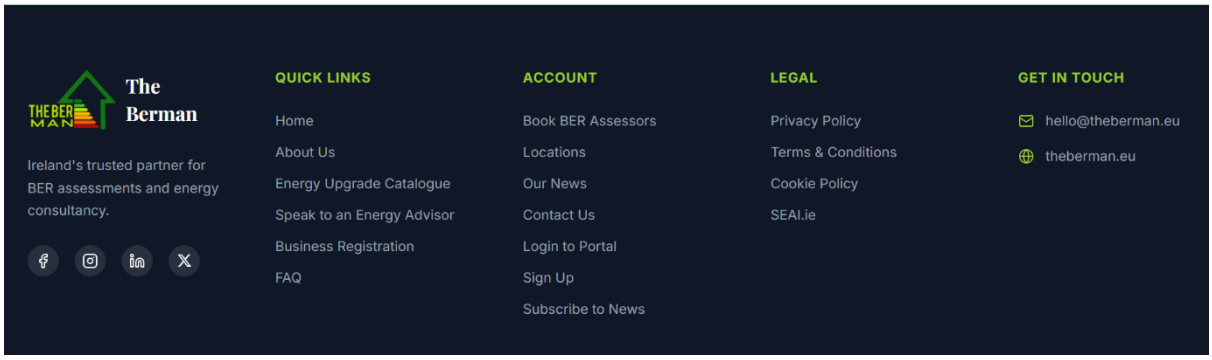
- Also, please add the FAQ page (https://www.theberman.eu/faq) to the main navigation bar.

- Add the following banners on these news article pages and apply the updates as per the instructions above:



- Include this banner on the news article pages and apply the same background colour as the footer.





- Include the footer on all these news article pages:
